PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

RECENT OPERATIONS

By Paul Rardin

SPEAKING OF FOOT BALL scores, I read of one the other night about which I had not heard before. It was the time way back in 1916 when Georgia Tech trounced Cumberland University 222 to 0. The same story told of the largest fresh water fish ever caught—a beluga sturgeon—weighing 2,250 pounds.

THE CANAL POINT Methodist Church has its Christmas display in place on north Corners highway two blocks north of the bridge in Canal Point. It caused a great deal of favorable comment last year and the year before. If you haven't seen it, drive by. You'll enjoy it.

I WAS IN A GROUP to visit Kissimmee Monday and Monday night in furtherance of plans to publicize US 441 Highway Association. We were guests of the Kissimmee Chamber of Commerce. When I say that ANY TOWN in Florida could take lessons from the Kissimmee chamber when it comes to "spreading out the welcome mat and making folks feel at home, I mean it sincerely. R. D. Shinkle, secretary of the chamber, is a past master at making folks like his town and its enterprises. The Kissimmee Chamber is fortunate in having a man of his caliber as manager.

THE BEAUTIFICATION and "Clean Up for Christmas" program inaugurated by the Pahokee Canal Point Garden Club flopped. People just aren't interested in cleaning up for Christmas—or any other time. A handful of folks joined in the effort to make things look a little better but it was a mighty small handful.

NOW COMES THE Christmas Lighting contest in Pahokee and Canal Point, being sponsored by the Garden Club. I hope enough folks take an interest in it that it can be worthwhile. After all it takes only a dab of decoration to make a window look Christmasy and attractive. Let's join in and make it an outstanding project this year.

Alumni Club Being Formed Belle Glade

A Belle Glade High School alumni club is being organized. Principal Frank O. Hobson is enrolling graduates.

The first social event will be an alumni dance at the Country Club during the Christmas holidays.

RELATIVE DIES IN ARCADIA

Willard G. Smith was called to Arcadia Saturday by the illness and death of his sister, Miss Mabel Smith. Mrs. Willard Smith of Lake Worth, Mrs. Kenneth Lutz of Belle Glade and Mrs. Ruth V. Meredith of Pahokee attended the funeral services at Arcadia Monday afternoon.

Half Million Fire Loss In Belle Glade

Fire starting about 1:30 p. m. Sunday leveled the Belle Glade Growers Cooperative and nearly ruined the building of the American Fruit Growers in Belle Glade. Fire departments from Belle Glade and Pahokee fought a losing fight as far as the two above mentioned buildings were concerned, but kept the fire from spreading to others. Loss has been estimated between half and three-quarters of a million dollars. The buildings were insured.

Commerce Body In Monthly Meeting

At a meeting of the Pahokee Chamber of Commerce in the Traveler's Restaurant Monday night it was reported that the billboard-size sign which the chamber is building to replace the old sign at Twenty-mile Bend is nearing completion and will be painted this week. Members of the local carpenters' union donated labor for the construction of the sign and Hughes Eidenour, Pahokee nurse-midwife, volunteered to landscape and plant ornamental shrubbery on the grounds around it.

County Commissioner Paul Rardin has made \$100 available to help in paying for the sign painting job. It was announced the chamber is sponsoring a petition, now containing the signatures of 125 local business men, requesting the Florida East Coast Railway Company to establish a freight delivery service in the Pahokee-Canal Point area.

Plans were discussed for a Christmas street lighting program for the Pahokee business section.

Tree Lighting To Be Awarded Prizes

The Pahokee-Canal Point Garden Club will sponsor a Christmas Tree lighting contest this year in the Pahokee and Canal Point area. Judging will be done in four divisions and two prizes will be awarded in each division.

The four divisions are as follows:
1. Outdoor lighted display.
2. Business house display.
3. Doorways.
4. Indoor Christmas tree visible from street.

The judging will take place on the evening of Dec. 21 starting at 7 p. m., it was announced by officials of the club.

Alvin Leathers Is Belle Glade FFA Head

The Future Farmers of America of the Belle Glade High School elected officers at a recent session for the 1950-1951 year and plans for yearly activities and program of events are under way.

New officers are president, Alvin Leathers; vice president, Billy Burke; secretary, Charles Newman; reporter, Rankin Brown.

Miss Patsy Elliott Is Princess For Orange Bowl Queen

Miss Patsy Elliott, 16, Pahokee High School Junior, daughter of Rep. and Mrs. B. Elliott of Pahokee, was runnerup in the contest to select a queen to reign over the Orange Bowl festivities in Miami on New Year's Day.

Miss Elliott placed second in the judging and will serve with three other finalists as princess attendants to the queen, Miss Mary Davison of Fort Lauderdale. The other princesses will be Miss Virginia Davis of Deland, Miss Mickey Crawford and Miss Nancy Wichlie, both of Miami.

Of the 100 young women throughout the state who entered the contest by sending in pictures, the 17 finalists were guests at a luncheon given at the Columbus Hotel Saturday by the Orange Bowl Committee and after three hours of deliberation the committee selected the Orange Bowl Queen of 1951 and her court of four princesses.

Miss Elliott was the youngest of the contestants and is the first Palm Beach County girl to be chosen to serve as a member of the queen's court. At Pahokee High School she is business manager of the Junior Class and vice president of the Glee Club. She has starred on local radio programs as a vocalist.

Funeral Services For Canipe Child

Funeral services for Clyde Donnell Canipe, 18-month-old son of Mr. and Mrs. Clyde A. Canipe of Pahokee, who drowned Saturday morning, Dec. 2, in the lake perimeter canal behind his home, were held in the chapel of Berry's Funeral Home Sunday at 2:30 p. m., with Rev. Ralph W. Todd, pastor of the First Methodist Church, officiating.

The tragedy occurred, according to Police Chief Leon Guthrie, while the little boy was playing with his two small sisters in their backyard, with the mother and her sister, Mrs. Frank Hobson, of Belle Glade nearby on the back porch. Suddenly Mrs. Canipe noticed her son was missing and rushed to the canal first where she found him in two feet of water and applied artificial respiration immediately without results. The child was then rushed to the Everglades Memorial Hospital next door where further efforts to revive him also failed. Mr. Canipe, principal of Pahokee Schools, was away from home attending a meeting at the time of the accident.

Survivors, in addition to the parents, include the two sisters, Judith Roberts Canipe and Rena Kirby Canipe, maternal grandparents, Judge and Mrs. E. B. Donnell, West Palm Beach, and the paternal grandmother, Mrs. Letitia Canipe, Charlotte, N. C.

Burial was at the Woodlawn Cemetery in West Palm Beach.

Junior Class Gives Play Again Tonight

The final presentation of the Pahokee High School Junior Class play, "Take Your Medicine," will take place in the high school auditorium this Friday night, Dec. 8, at 8 p. m.

The hilarious three-act comedy was shown to elementary school children, first through sixth grades, at a matinee Wednesday afternoon and to the public on Thursday night. It is under the direction of Mrs. Herbert Miller.

US441 Hiway Group Perfects Its Plans

Directors of the recently organized US 441 Highway Association met in Kissimmee Monday to perfect plans for furtherance of travel over the newly designated Federal Highway. Spirited cooperation was evident on every side throughout the entire meeting which lasted well over five hours.

The directors perfected a constitution and by-laws for the association and placed certain responsibilities on certain workers in the group. The secretary was given definite authority to carry on in the manner in which he has served since his appointment. To his duties were added the office of treasurer.

Several massive signs will be erected at strategic points in an effort to direct traffic over US 441. It was pointed out that the official mileage between Orlando and Miami is 17 miles shorter by using US27 to South Bay and taking US 441 north to Orlando. This little matter of saving miles will be pointed out to the motoring public.

A huge sign will be erected just south of South Bay and another will be erected north of Kissimmee and several small ones at other points along the route.

The Kissimmee Chamber of Commerce did a royal job of entertaining the visiting delegation and to the chamber of commerce manager, R. D. Shinkle, went a vote of thanks for the outstanding manner in which his group entertained the visitors. Another meeting will be held in Orlando in January.

Levee Job Goes To Firm In Pensacola

A Pensacola firm was the apparent low bidder Tuesday for raising and paving the Little Bare Beach section of the Lak-Okeechobee levee.

Smith Engineering & Construction Co. offered to do the work on the five-mile stretch between Clewiston and Lake Harbor for \$462,085.

Bids also were opened at the Jacksonville district, office of the Army Engineers for building a 100-by-400-foot levee as part of a seepage test 17 miles west of downtown Miami.

The apparent low bid in this group was \$73,472 from the Hooper Construction Co. of Coral Gables. Contracts were not awarded immediately.

Carney Wilder Is Chosen Best Back Field Man At PHS

Carney Wilder was chosen the most outstanding backfield man on the Pahokee Blue Devil 1950 football team while Bobby Peacock and Charles Holmes tied for the honor of being the best lineman on the team.

The group of judges picked Wilder for his passing skill and excellent running from quarterback position. Peacock was selected for his ability to receive passes and throw blocks on the offense and his line backing work on defense while Guard Holmes earned deserved recognition from the judges for his terrific blocking and tackling throughout the season.

Each of the boys will receive a trophy with his name, the year and the award engraved on it, the lineman trophy to be presented in duplicate by the Pahokee Lions Club and the backfield trophy, by the Pahokee Rotary Club.

PTA In Canal Point Hears Talk On TB

Mrs. Margaret T. Bodenstein, health educator for the Palm Beach County Tuberculosis and Health Association, was guest speaker at the December meeting of the Canal Point Parent-Teacher Association held Monday night in the school auditorium.

Introduced by Mrs. Sorchie Baird the speaker gave a talk on the activities of her organization, following which she showed a film, "Coming Home," depicting the care of a tubercular patient in the sanitarium and his rehabilitation upon returning home.

Mrs. Dow McClelland, membership chairman, reported the Canal Point PTA now has 190 members the largest membership in the history of the local association. A report was also given on the sale of Christmas cards, a PTA fund raising project.

The monthly attendance award was won by Mrs. Huddle's fourth grade room. Mrs. Pope Sears, president, presided at the business session.

During the social hour following the meeting refreshments were served by Mrs. C. L. Stewart, Mrs. J. G. Weeks, Mrs. J. D. Latham and Mrs. Hattie Dixon, hostesses.

Brumback Talks To Pahokee Lions Club

Dr. C. L. Brumback, public health director of the Palm Beach County Health Department, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club.

Introduced by Edward A. Jensen, program chairman, the speaker gave a talk on the duties and activities of his department in promoting health and preventing the spread of disease in Palm Beach County. President Thomas Baldwin presided.

News Notes From State Capital

TALLAHASSEE—Minor skirmishes in the coming legislative fight over finances were shaping up this week as state agencies sent in their first budget requests for cabinet perusal. Some departments held the line; others went as much as 100 per cent over amounts needed for the 1950-51 operations. The state TB board, faced with operating three new hospitals for the tubercular, called for \$5,992,900 to run institutions at Orlando, Tampa, Marianna, Lantana and Tallahassee. The state advertising commission asked for \$1,000,000 instead of \$500,000. On the other side of the ledger, the Florida Railroad and Public Utilities Commission led off with a reduction of \$7,000 over the last budget. Comptroller C. M. Gay followed with a reduction of \$55,000 for the operation of his office, plus an additional drop in the cost of collecting the sales tax. The Comptroller served warning on all that as a member of the budget commission which begins its grind on December 18, he will vote against all increases except for schools.

TALLAHASSEE — Nathan Mayo, commissioner of agriculture for 24 years, was described here by Governor Warren as one man mainly responsible for the growth of agriculture in Florida. A meeting of agricultural workers heard the state system of farmer markets praised, heard Mayo describe the 1949 citrus code as forming the foundation of current citrus prosperity, and learned that 7,000,000 out of Florida's 35,000,000 acres are now in agricultural use.

TALLAHASSEE—About three per cent of Florida school children get no lunch, mainly because they have no money and are too proud to ask for free meals. The state department of education's recent survey also showed that more than seven per cent of the children come to school without breakfast. The department found further cause for worry in the belief that children who eat out are not exposed to desirable standards of nutrition.

TALLAHASSEE — The state road department, turning out highways and bridges at a record rate, called for bids December 12 on projects in 21 counties. It has under way more than \$40,000,000 worth of construction, not including the new superhighway and bridges for Duval county. Grading, surfacing, paving comprise the bulk of the work called for in the December bids, which will be received here.

TALLAHASSEE—Florida is extending a mantle of green over four more counties with fire protection for their forest lands. The counties, Manatee, Sarasota, Seminole and Union, voted last month to enter into cooperative agreements with the state forest service. These, in effect, will add 700,000 acres to controlled lands and make

WHO SAYS ST. PETERSBURG IS CITY OF OLDSTERS?

While you may find a few oldsters on the "green benches" the vim, vigor and vitality of youth is everywhere in evidence in the Sunshine City. These charming lovelies were among 50 contestants for queens of the Festival of States, famed annual celebration staged each year at St. Petersburg. The 1951 Festival of States will be held from Jan. 15 through Jan. 20. A full week of gay fun, frolic and entertainment

a total of 13,250,000, more than half the area of the state.

TALLAHASSEE—Led by Governor Warren, the state cabinet is asking its universities to find out

better ways of tracking down storms and reporting their progress. Noting that weather bureau reports frequently may be as much as 100 miles off, cabinet members also have asked Florida congress-

men to request loan of radar and other storm tracking equipment.

Mr. and Mrs. Inman W. Weeks are visiting her mother, Mrs. R. A. Mole, in Lulu, Fla., this weekend.

IN FLORIDA . . . SOUTHERN BELL HAS BUILT

\$100,000,000 of new Telephone Plant in the Past 5 Years

The site of this plant is state-wide. You'll find it in every Florida city and town served by Southern Bell and along the roads and highways.

Yes, since the end of World War II, we've built \$100,163,000 of new telephone facilities in Florida. That's far more money than we had invested in Florida 5 years ago.

How big an accomplishment that is and how much it means to Floridians is apparent when you consider that during these five short years we have increased the number of telephones by as many as we had in service in 1943, after the first 64 years of the Company's history. In other words, it has meant that in 5 years:

TELEPHONES have nearly doubled, going from 224,000 to 432,000.

RURAL TELEPHONES more than tripled . . . from 16,200 to 59,000.

LONG DISTANCE CIRCUITS increased from 1,442 to 1,994.

SERVICE . . . clearer, faster and more dependable.

As big as this five years' job has been, the end is not yet in sight. To meet the unprecedented demand for telephone service in town and on the farm, we must go on building, contributing our full share to the progress and prosperity of Florida. That makes it important to have a financially healthy telephone company.

A. B. Dooley

BOX 521 CANAL POINT, FLA.

Try this on your stereoscope!

WHEN THIS "VIEWER" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that beats those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan—an automatic

method of saving that all but puts you on that liner and says "bon voyage."

So simple, so painless, so sure—the Payroll Savings Plan sets aside a small part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and GROW. In ten short years they pay you back \$4 for every \$3 you put in today.

A self-fattening investment—guaranteed by Uncle Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month Plan at your bank.

No matter how you look at them, U. S. Savings Bonds help to picture a bright, happy future!

Automatic saving is sure saving—U. S. Savings Bonds

Canal Point Lions Hear Talks By Worker Of Lions Industries

Eric G. Bellander of West Palm Beach, executive director of Lions Industries for the Blind, was guest speaker at the dinner meeting of the Canal Point Lions Club Monday night.

Introduced by A. R. Harrington, program chairman, the speaker explained the set-up of Lions Industries which by providing vocational training for the blind and partially blind assists in their rehabilitation. A non-profit organization affiliated with the State Council for the Blind, it was organized and is backed by the East Coast Lions Clubs of Palm Beach County and Canal Point Lions were invited to join in its support. Several samples of articles made in the Lions Industries workshop were on display at the meeting.

The club voted to join the Pahokee Lions Club in the joint sponsorship of the annual Christmas party for the children of the Pahokee-Canal Point area.

President Boyd Vorhees gave a report on the recent meeting in Okeechobee where he and Paul Rardin represented the club in the organization of the U. S. 441 Highway Travel Association.

Hibiscus Garden Club Will Meet Tuesday

The Hibiscus Garden Club will meet at the home of Mrs. C. T. Jackson on Bacoa Point Road Tuesday at 10 a. m., with Mrs. Lloyd Hundley, co-hostess. Guest speaker will be Mrs. Anna L. Bunker of the West Palm Beach Garden Club who will be assisted by Mrs. Don Hillier. The program will be suggestions for Christmas decorations and each member is asked to bring a decorative arrangement to the meeting.

Ruethain - Hatton

Mr. and Mrs. Bryon Wright Ruethain of Little Rock, Arkansas, announce the engagement and approaching marriage of their daughter, Marian, to Robert Lester Hatton, son of Mr. and Mrs. Joseph L. Hatton of Pahokee. The ceremony will be performed Sunday, December 17, at 4 p. m. in the Pulaski Heights Presbyterian Church in Little Rock.

Miss Ruethain will be graduated in June from Louisiana State University, where she is a member of Phi Mu, social sorority, and Sigma Alpha Iota, honorary music fraternity.

Mr. Hatton also will graduate from Louisiana State University in June. He is a member of Kappa Delta Pi, honorary education fraternity, and Phi Mu Alpha Sinfonia, honorary music fraternity.

Five Pahokee Circles Make Plans Reports

The five circles of the Pahokee First Methodist Woman's Society of Christian Service gave reports of the progress being made on their home mission projects at a WSCS meeting in the church Monday night.

Mrs. John A. Dulany reported on the recent meeting of the West Palm Beach District of Methodist Churches at the Calvary Methodist Church in West Palm Beach which she attended as a delegate. She said the next district meeting will be held in Delray Beach on Mar. 12.

The Christmas social relations committee reported redecoration and the purchase of new furniture for the parsonage, a WSCS project, and Mrs. H. J. Anderson, hospitality chairman, reported the purchase of a new tablecloth for use by WSCS.

Mrs. J. R. York presented the program, "Spiritual Resources for Health," in the absence of Mrs. C. A. Caniipe, program chairman. Talks on the program topic were given by Mrs. E. J. Graham, Mrs. O. D. Carpenter and Mrs. York. Mrs. R. J. Schroder announced that the program topic for the January meeting will be "Temperance" Mrs. Lloyd Hundley gave the meditation in the absence of the president, Mrs. Ruth V. Meredith.

The meeting was concluded with

an intercessory prayer ceremony presented by Mrs. Dulany, spiritual life chairman, assisted by Mrs. Jack Phillips and Mrs. J. T. Boynton. Mrs. Barbara Branch sang "Sweet Hour of Prayer," accompanied at the piano by Mrs. J. V. Thomas.

Hibiscus Group To Meet Jackson Home

The Hibiscus group of the Pahokee-Canal Point Garden Club will meet next Tuesday at 10 a. m. with Mrs. Tyler Jackson. Mrs. Lloyd Hundley will be co-hostess. The program will center around

"Christmas Decorations and Arrangements."

Mrs. Anna L. Bunker of the West Palm Beach Garden Club will be the speaker and will be assisted by Mrs. Don Hillier of Pahokee. All members are urged to take a Christmas decoration or an arrangement.

Evening Service 7:30 p. m.
Prayer Service, Wed. 7:30 p. m.
Choir Rehearsal, Wed. 8:30 p. m.

Sunday evening December 17th has been designated as "White Christmas" Sunday. In view of the recent frost and the Hurricane which preceded it the members of the Board have decided that this year our "White Christmas" gifts would be distributed within our own community. Please bring whatever you can and place it upon the Altar of the church. An investigation will be made into each needy case. Let us be as generous as possible for the need is great at this time.

Christian Science Society

CHURCH OF CHRIST,
SCIENTIST

"GOD THE PRESERVER OF MAN" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, December 10.

The Golden Text is: "The Lord is my rock, and my fortress, and my deliverer; the God of my rock: in him will I trust: he is my shield, and the horn of my salvation, my high tower, and my refuge, my saviour" (II Sam. 22:2, 3).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "He that is our God is the God of salvation; and unto God to Lord belong the issues from death" (Ps. 68:20).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Accidents are unknown to God, or immortal Mind, and we must leave the mortal basis of belief and unite with the one Mind, in order to change the notion of chance to the proper sense of God's unerring direction and thus bring out harmony."

Under divine Providence there can be no accidents, since there is no room for imperfection in perfection" (424:5 11).

Church Of The Holy Nativity

(Episcopal), Pahokee

Ronald Lane Latimer, Priest
Schedule for December:
Holy Eucharist with Sermon—
1st and 3rd Sunday, 11 a. m.

Morning Prayer with Instruction—
2nd and 4th Sunday, 11 a. m.

FSU Circus Is New In College Work

TALLAHASSEE—Ringling Brothers and Barnum and Bailey no longer may lay claim to Florida's only circus, for during the last three years students of the Florida State University have developed a circus of their own, that from the standpoint of talent and entertainment can hold its own with the best of the professional outfits.

The Circus went to college in Tallahassee when athletic coach Jack Haskins decided to train students in the arts of high and stick wire walking, tumbling, trapeze work, knife throwing, trick and fancy bicycle riding, clowning, cloud swings and numerous other feats seldom seen outside of the sawdust ring. To date, 22 star acts have been developed and the Florida State University Circus has attracted nationwide attention. Youngsters mostly from Florida's small towns make up the cast of several hundred entertainers who have become so proficient that wherever the FSU Circus has shown, it has drawn capacity houses and left spectators amazed and enthralled and very, very proud of the Florida State University.

The greatest show ever attempted by the College Circus will be staged in St. Petersburg, January 16 when two performances, afternoon and night, will be featured. It will be a five-ring affair, just like the big top presents and equally as entertaining. The only thing the College Circus lacks is animals and they make that up by staging animal acts in which humans participate.

The St. Petersburg showing will be the outstanding feature of the 1951 Festival of States in St. Petersburg which opens January 13 and continues through January 20. When you see the remarkable performance put on by these enthusiastic college folks you will have to admit that Ringling Brothers must look to their laurels.

Glee Club Will Present Group Songs

The Pahokee High School Glee Club, under the direction of Edward Leggett, will present a program of songs at the December meeting of the Pahokee Parent-Teacher Association in the high school auditorium Monday, Dec. 11, at 8 p. m. Mrs. J. C. Schoepel, president, will preside.

Mr. and Mrs. Carl G. King of Pahokee announce the birth of a daughter, Carla Frances, at the Everglades Memorial Hospital, Dec. 3.

Mr. and Mrs. L. D. Spence of Clewiston announce the birth of a daughter, Sylvia Carol, at the Everglades Memorial Hospital, Dec. 3.

Sen. Holland Sees Flood Work Ahead Of Schedule By Jan.

WEST PALM BEACH—Following a conference with flood control officials here, Senator Spessard L. Holland said that work on levees construction by the Central and Southern Florida Flood Control District will be well ahead of schedule by the end of the year.

"I am particularly pleased," Holland said, "that the budget bureau has cut only \$200,000 from the \$6,500,000 flood control program in Florida." He said that in many instances in other sections of the country the bureau had eliminated such projects entirely.

The bureau's cut still leaves \$6,300,000, plus 15 per cent from the state, which will enable the district to push the work, he said.

After consulting with Stacy A. Rogers, general manager, W. Turner Wallis, chief engineer, secretary-treasurer H. C. Gee and consulting engineer Henry J. Driggers, Holland termed these officials alert and ready to go ahead.

Turning to the effects of last week's hurricane to large areas of South Florida's vegetable growing lands, he said that Okeechobee County should be included in the survey to determine the needs of stricken truck farmers here.

NOTICE

THIS IS PUBLIC NOTICE that the City of Pahokee, a municipal corporation of the State of Florida, is asking for bids for the purchase of a one ton to two and one-half ton truck, five speed transmission, single axle, cab and chassis (84 inches from cab to rear axle) dual rear wheels, 900 tires, gross vehicle weight 16,500 lbs. minimum, and other standard equipment.

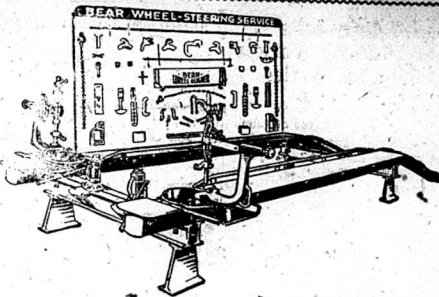

Bids shall include the cost of transfer and complete installation of garbage truck body.

There shall also be included in part of the bids a trade-in allowance on a 1946 Ford one and one-half ton truck, single axle, four speed transmission, cab and chassis included. The vehicle is available for inspection at the Pahokee City Hall.

Sealed bids must be received on or before 9:00 A. M. December 16, 1950 by the Pahokee City Clerk.

The City reserves the right to accept or reject any or all bids.
Clyde W. Alley,
City Clerk.

Pub. Dec. 8, 1950.

Cinematic Chatter

By Malcolm Millar

Because Ida Lupino, clever British actress, has been seen around favorite spots lately with Robert Walker, tongues have been wagging, and there have been rumors that there was a romance budding. But this seems not to be the reason that Ida is paying so much attention to Bob. Now it comes out that Miss Ida wants very much to sign Robert as her leading man in "As Long as I Live," which she is going to do for Warner Brothers. An interesting little item was snatched out of a Los Angeles paper for this column the other day. It stated that television at long last is bringing bigger and better shows. Many have wondered what television would do to the movie business. There you have one answer. Again, studio producers have been waiting for some time that Motion pictures didn't make money last year. Now a report comes that motion picture stocks have earned bigger dividends than most of the securities offered on the exchange. Snub Pollard, veteran comic of stage and screen, has been signed for a forthcoming role in a Lawrence Olivier picture slated to go before the cameras right away. Snub hasn't been in a picture in "a coon's age," although he was a great laugh getter in the Mack Sennet days. Snub is no youngster. Marjorie Main had to take it on high from her home near Palm Springs. She said she had ants in her pant-ry . . . In fact all over the house. See you at the movies—Mal.

Polio Continues To Strike Heavily In US

NEW YORK, N. Y.—As polio incidence continued at an unseasonably high level, the emergency services of the National Foundation for Infantile Paralysis maintained a flow of equipment and March of Dimes funds to areas where the disease still is striking. During the week ended November 25, the United States Public Health Service reported 569 new polio cases in continental United States, the highest incidence recorded for this time of year in the past five years and probably the highest in history. There have been 31,360 polio cases reported since January 1, 1950.

Reflecting the late continuing incidence, the National Foundation provided \$136,890 in March of Dimes funds to 48 chapters in 23 states during the week end November 25. Other services included the supplying of eleven respirators in six states.

Since January 1, the National Foundation has sent \$7,577,963 to 977 chapters which have exhausted their local funds and has supplied 606 respirators, 318 hot packs, 219 beds and cribs.

Also during the week, ended November 25, the American Red Cross recruited 13 nurses for polio patient duty. During the year, per-

sonnel recruitments have included 12 medical consultants, 26 resident physicians, 114 physical therapists and 1,087 Red Cross nurses. Consultants of the Joint Orthopedic Nursing Advisory Service paid 122 field visits.

Eighth Graders Will Have Christmas Party

Eighth grade students at Pahokee High School will have their annual Christmas party this Friday evening, Dec. 8, starting at 6:30 p. m. First, they will go caroling and then there will be an exchange of gifts and refreshments will be served at the gymnasium. Mrs. Thomas Elliott and Mrs. George Ramey, room mother chairmen for the eighth grade, will be in charge of arrangements.

Poinsettia Garden Clubbers Will Meet

The Poinsettia Garden Club will meet at the home of Mrs. Rupert Mock at 10 a. m. Tuesday. There will be a Christmas workshop to fabricate Yuletide decorations and the meeting will be concluded with a luncheon.

Auto Dealers Will Meet In Miami Jan. 7

MIAMI—America's automobile dealers will prepare to "keep 'em rolling" in the event of a national emergency, when they meet in Miami and Miami Beach, January 7 to 10 inclusive, convention chairman J. Saxton Lloyd said today.

"In view of recent international developments," Lloyd said, "it is imperative that dealers study long-range plans to keep their country's foremost means of transportation moving without interruption."

"The automotive industry is a vital part of national defense and it appears that the time has arrived for us to seriously consider this phase of the industry. It is with this thought in mind that we selected as the convention theme, 'Automobile Dealers Serving America.'"

The annual convention of the National Automobile Dealers Association is expected to draw more than 10,000 members, according to Ray Chamberlain, convention and exhibition manager, now in Miami to complete arrangements. The majority of Florida's 600 dealers already have made reservations, he said.

Mrs. Wilson Hostess To Gardenia Group

The Gardenia Garden Club will meet at the home of Mrs. F. M. Wilson Tuesday at 9:45 a. m., with Mrs. J. S. Atkins, co-hostess. The program will consist of suggestions for Christmas decorations and there will be an exchange of plants.

James Latham Back In U. S. From Korea

SAN DIEGO, Calif. — James Daniel Latham, Jr. AG3, USN, son

of Mrs. James L. Latham, Sr., Canal Point, arrived back in the United States to-day after more than six months of action in the Korean War. He was aboard the attack transport USS Cavalier, a unit of the Pacific Fleet Amphibious Force, which docked at Navy Pier here this morning.

Mr. and Mrs. Wiley Tillis, accompanied by his mother, Mrs. C. H. Tillis, motored to Daytona Beach Sunday where they met his brother-in-law and sister, Mr. and Mrs. Charles Estes of St. Simon Island, Ga., who were accompanied back to their home in Georgia by the elder Mrs. Tillis.
